 - Switch off after use
-

ELECTRIC CONNECTIONS

All wiring should be done by a qualified licenced electrician

WARNING: Installations must be made in accordance with the current IEE wiring regulations and relevant building regulations. Faerber recommends that all electrical bathroom products should only be fitted by a suitably qualified, Part P registered electrician.

CAUTION: Ensure the domestic electrical mains supply to which the cabinet is to be connected is turned off. Before drilling, ensure that there are no hidden cables or pipes in the wall. It is strongly recommended that the fitting of this product is conducted by two people.

CAUTION: Requires 120 VAC 20 Amp GFI protected circuit.

ELECTRIC WIRING: Be sure to provide enough wire to make the proper and safe connection to the Field/Power. Place mirror in rough-in and make sure the mirror is square, level and plumb. Secure the mirror with the mounting screws into the framing studs.

PRODUCT DIMENSIONS

LIMITED LIFETIME GUARANTEE

Subject to the terms and conditions specified herein, We hereby extend a limited Guarantee”) to original Purchasers (as defined below) of the LED Lighted Mirror (the “Product”) with respect to certain specified structural components of the Product. Specifically, we, by this Limited Guarantee, warrants that, for the durations specified herein, Products purchased directly from us or our authorized retailers will be free of defects in the material and workmanship of the Product’s electrical components, glass and mirrors, which defects would cause the Product to substantially fail to function when subject to normal use.

A. Who is Covered?

This Limited Guarantee covers only the original purchaser of the Product on the Purchase Date (as defined below), or, in the event the Product was purchased as a gift, the owner of the Product who is the primary operator and user of the Product after the Purchase Date (the “Purchaser”).

This Limited Guarantee only covers Purchasers who use the Product in their residence and/or for private/non-commercial purposes. For commercial purchasers, please refer to our Limited One-Year Commercial Guarantee.

This Limited Guarantee is not transferable to subsequent owners or subsequent purchasers of the Product. This Limited Guarantee is only available to Purchasers who purchased the Product from us and its authorized retailers.

B. What is Covered?

This Limited Guarantee only covers defects in materials and workmanship of the Product’s electrical components, glass and mirrors. In turn, a defect for the purposes of this Limited Guarantee shall mean that the Product has a defect in material or workmanship with respect to its electrical components, glass or mirrors such that the Product substantially fails to perform when put to normal use.

C. Duration of Coverage

This Limited Guarantee applies as of the date of purchase, as indicated on the Purchaser’s invoice received at the time of the first purchase of the Product from us or our authorized retailers of the Product (the “Purchase Date”).

This Limited Guarantee applies to the Product’s components for the following durations:

- The Product’s electrical components, namely, the LED strip and driver, have a lifetime of 50,000 (fifty thousand) hours. As such, with respect to such electrical components, this Limited Guarantee is available to original Purchasers from the Purchase Date to the earlier of (i) 50,000 hours; (ii) 30 years after the Purchase Date; or (iii) when the product’s electrical components become unusable for reasons other than defects in workmanship or material.
- This guarantee covers the glass on the Product’s mirror from the Purchase Date to the earlier of (i) the Purchaser’s lifetime or (ii) the duration of the Purchaser’s ownership of the Product.
- With respect to all components, coverage under this Limited Guarantee ends when the first Purchaser transfers the Product to another party.

D. What is Not Covered?

This Limited Guarantee shall only apply if the Product has only been subject to normal use and service. Note that normal use of the Product is defined as daily use for 3-4 hours. As such, this Limited Guarantee is void if the Purchaser or user does not comply with applicable instructions and recommendations for use, if the Product was damaged do to accident or misuse, or as a result of being subjected to short-term or long-term abnormal use or stress.

Specifically, this Limited Guarantee does NOT cover damage caused by, among others, the following:

- Misuse, neglect, alteration, or tampering of the Product;
- Deliberate destruction;
- Improper installation and set up;
- Delivery;
- Improper storage;
- Improper or irregular power supply;
- Improper voltage or electrical use;
- Exposure to excess water or very humid/damp conditions;
- Acts of God;
- Exposure to conditions beyond those of ordinary daily living such as operation in extreme temperatures;
- Accidents;
- Improper maintenance; and
- Use of cleaners containing abrasives, alcohol or other organic solvents, whether performed by a Purchaser, contractor, service company, or others.

We shall not be liable for damages, including special, incidental or consequential damages, arising out of or in connection with the performance of the Product. This Limited Guarantee does not warrant that we will not discontinue the Product and exchange it for a new model or discontinue production of the Product entirely.

E. Remedy

If the Product is found to have defects in material and workmanship as covered by this Limited Guarantee, we will, at its discretion, either (i) repair the defective Product or (ii) provide a free replacement of the Product or of any defective parts of the Product.

Any repaired or replaced Product will continue to be covered by this Limited Guarantee for the remaining length of coverage available starting from the Purchase Date.

F. How to Make a Limited Guarantee Claim

Should a problem be experienced with this Product within the coverage period provided by this Limited Guarantee, and subject to the terms, conditions and

limitations of this Limited Guarantee, please contact the our Customer Service Department to determine the nature of the Product's failure and to establish an adequate solution.

If a return for repair is needed, returns must be made within 30 (thirty) business days of the return authorization that we will issue (the "Return Authorisation") upon our determination that a return for repair is needed. If a return for replacement is needed, returns must be made within 30 (thirty) business days of the Return Authorisation, and we will send a replacement Product upon receipt of the returned item. Returns should be made to the address that we will provide with the Return Authorization.

G. Legal Rights

This Limited Guarantee gives you specific legal rights, and you may also have other rights which vary from country to country. This limited lifetime guarantee is our sole guarantee for its led lighted mirror, and is in lieu of all other warranties and conditions whether written, oral, statutory, expressed or implied. we disclaims all other express or implied warranties and conditions, including the Implied warranties or conditions of merchantable quality, merchantability, and fitness for a particular purpose. To the extent that implied warranties are available by law, such implied warranties are limited to the length of coverage extended by this limited guarantee. Some states do not allow limitations on how long an implied guarantee lasts, so the above limitation may not apply to you.

In no event shall we be liable for any other costs or damages, including special, incidental or consequential damages, arising out of or in connection with the performance of the product.
